CASE NO. T-0237:15

DECISION NO. 88-76

REQUEST FOR CEASE AND DESIST

The Inter-Lakes Education Association filed a request for a cease and desist order to compel the Inter-Lakes School Board to; (1) inform the public that statements made in regard to the factfinder's report to the media are false and intended to, and likely to, have the result of influencing ongoing collective negotiations in a manner unfavorable to the employee organization; (2) cease and desist from making any further false public statements; (3) cease expending public funds in the issuance of such false statements which adversely effect the lawful conduct of collective bargaining; (4) order the School Board to negotiate in good faith, (5) these orders read at the October 20, 1988 School District Meeting; and (6) post the orders in conspicuous locations in all administration and school buildings in the District.

PELRB upon review of the evidence presented at the October 18, 1988 hearing unanimously declines to issue a Cease and Desist order based on the fact that both parties had an opportunity to and did use the media to approach the voters prior to the District meeting.

Full detailed decision to follow.

Signed this 20th day of October, 1988.

Oral decision October 20, 1988.
